

Announcement from the Assessor

Unfortunately, bogus emails are being sent that appear to be invoices from Assessor Carol T. Brown. I apologize for the confusion caused by these emails, but want to remind everyone that the Assessor's Office never sends invoices. These bogus emails should be marked as "junk" and deleted. No further action is necessary. Several Assessors' Offices across the state are involved in this same situation.

Tax bills for Bienville Parish property taxes were mailed from the Bienville Parish Sheriff's office in November 2018. Their office has a website available at www.bienvillesheriff.org where you can pay your taxes or check your payment status.

Thank you,

Carol Brown, CLA
Bienville Parish Assessor
